# Treasure Hunt – Submission Guide

Create a Jar

1. In DrJava under <u>Project</u>, click **Create Jar File from Project…**

2. A dialog box (shown below) will open.

3. Ensure the **Jar All files** box is selected!

4. Edit the **Jar File** line to be '**...\treasure_hunt_2022\drjava\schoolname_first_lastname.jar**'
   a. Ensure you use the underscore character '_' between fields (hard to see in the dialog box)

5. Click OK.
   a. A window should pop up saying the jar creation was successful. Click OK.

6. The JAR should be located at the **<YourLocation>\treasure_hunt_2022\drjava** folder.

7. Submit the JAR file to your teacher as instructed by them.
